Tyler was an incredibly well-prepared TA. He always had material prepped for class, and his explanations were very illuminating. He was incredibly patient with student questions and gave very helpful answers. His style of teaching prompted students to engage and answer questions while also providing detailed explanations. Tyler was always friendly and welcoming in the classroom. He was incredibly positive and nice to students.

Tyler is a wonderful lecturer. I deeply enjoyed his recitation.

Tyler is awesome and perfect and awesome and perfect. I loved that he always prepared content and explained the material relevant to us, and also helped us with homework problems. He was always enthusiastic and kind and engaged us in thinking. Tyler is great, please keep it up :)

He is really nice!

Excellent recitation instructor, very interactive and involving class. He explain everything clearly and help student learn materials very quick. And very clear explanation in addition to the course material. Very reachable after class as well and give a lot of useful suggestions for HW or course material.

Tyler is incredible and this was my favorite part of algebra. I looked forward to going to Tylers section the most. This was my favorite class all semester.
